ACTION INDOOR SPORTS STADIUMS

Primary & Intermediate Schools

Indoor Sports Programme

Various Programme Purposes

- Teach children new sporting skills for life!
- Get children active
- Teacher interaction and supervision of sports options
- Build social skills and encourage team of sport options
- Reward for good behavior
- Provide quality, safe, weather protected indoor activities

This popular Indoor Sports Skills Programme is now entering its 13th year. The programme that was unique to Canterbury, is now run nationwide and is endorsed by SPARC and New Zealand Indoor Sports Incorporated. Thousands of children in the Canterbury region have already participated in this exciting programme for the past 12 years with the support of Sport Canterbury and Action Indoor Sports. It is a much loved programme in the Canterbury Region. It is vital these programmes continue to teach young New Zealanders exercise and sports skills they can use for life!

We are excited to be once again giving Canterbury Schools an option to participate in this fantastic and exciting **LET'S PLAY** Indoor Sports Programme.

The offer

- ***Heavily subsidised coached sports option***
- ***A Program designed to assist all children to develop Sports Skills***
- ***No Weather Problems or Cancellations***
- ***Well Organised and supported by Sport Canterbury, New Zealand Indoor Sports Inc, SPARC and Te Puni Kōkiri***

We hope to see more schools add the Indoor Sports Programme to their curriculum for 2010!

WHAT DOES 'LETS PLAY' INVOLVE??

Choose one sport per court (*average of 20 students per court):

- Indoor Netball
- Indoor Cricket
- Indoor Hockey
- Indoor Dodgeball
- Indoor Football
- Indoor Basketball
- Indoor Touch
- Indoor Handball

Each 'LETS PLAY' programme can run anywhere from 1-10 weeks, with a one hour session per week. Students will learn skills, movements and knowledge of the sports rules/regulations specific to the chosen Indoor Sports.

\$55 per court* WITH an instructor, per hour session
Or

\$40 per court* WITHOUT an instructor, per hour session
(*average of 20 students per court)

Payment required on each day of participation

This programme has been created for schools as an inexpensive way for children to get active indoors, learn more about playing the above sports, and help them to learn how they can enjoy it.

It will also help children gain and learn:

- Co-ordination
- How exercise can be fun!
- Social skills
- Hand-eye co-ordination
- Skills that can help in all sports
- More confidence in sport and most importantly life

Examples of 'LETS PLAY' Lessons

Example of an activity from an Indoor Netball lesson:

➤ ACTIVITY 5: ATTACKING

DURING THE ACTIVITY

- Players line up in pairs on the sideline. While running toward other sideline A stops, changes direction a number of times. B tries to keep up. Emphasise good body balance, pushing off leading foot and short, quick steps.

Example of an activity from an Indoor Hockey lesson:

➤ ACTIVITY 3: PUSHING GAME

BEFORE THE ACTIVITY

- Hockey sticks, balls, wickets

DURING THE ACTIVITY

- Split the children into 3 groups, let them come up with a name for their team.
- The 'batter' pushes the ball into the field. Fielders chase the ball then push or dribble the ball back to the bowler who must try and hit the wickets before the batter returns to the wickets from the run.
- Maximum of 10 runs per batter. Rotate the bowler after every batter.
- To continue to play, bowler pushes the ball to the batter who must trap the ball before pushing it into the field.
- Rotate the batting team after all team members have had a turn.

VARIATION

- Can turn into a competition by keeping count of each teams runs.

All lessons also involve full warm ups and cool downs
