

JUNIOR FOOTBALL

Action Indoor Sports Stadiums are committed to developing children's health and physical activity. We strongly believe that as a community we must actively encourage kids to become involved in active sports and leisure.

We run junior competitions for all our sports. All leagues are grouped by age and ability, enabling them to have fun together while they develop their fitness, agility, team spirit and social skills. This fast paced game is great for developing Football skills and can be played from an early age.
