THE BASICS

TIPS FOR GETTING STARTED

Action is all about enjoying yourselves. Here are some tips on getting a team together;

1. Don't try and gather an entire team before you register!
2. Get strong interest from just 3 or 4 friends and register for a trail game – this sets a date to get started!
3. Encourage your friends to each recruit 1 or 2 of their friends for the trial game!
4. When you have played together under trial / beginner conditions you'll soon discover how much fun it is and the only problem you'll have is cutting back the numbers!

THE NEXT GENERATION

Action Cricket - The most dramatic change ever for the game of indoor cricket. Revolutionary new rules see teams of 6 players with substitutions, new scoring zones and more action competing in THE NEXT GENERATION of New Zealand's most popular indoor game.
