

# BIRTHDAY PARTIES

Action Birthday Parties are for kids aged 6 and up. Nobody likes a party better than kids.....And the Action Indoor Sports Stadiums. We have the ideal venue for parties for the big kids. Supervised games for all ages, room to run and burn off all that energy. With the umpire doubling as the party coordinator, Action combines sport with the traditional elements of a kid's party including party food. While the kids have a ball playing healthy sport and having lots of fun, Mum and Dad can save their energy to blow out the candles and sing "Happy Birthday". The fun is on us!

Best Regards
