## THE BASICS

### TIPS FOR GETTING STARTED

Action is all about enjoying yourselves. Here are some tips on getting a team together;

1. Don't try and gather an entire team before you register!
2. Get strong interest from just 3 or 4 friends and register for a trail game – this sets a date to get started!
3. Encourage your friends to each recruit 1 or 2 of their friends for the trial game!
4. When you have played together under trial / beginner conditions you'll soon discover how much fun it is and the only problem you'll have is cutting back the numbers!

### THE NEXT GENERATION

**Action Cricket** - The most dramatic change ever for the game of indoor cricket. Revolutionary new rules see teams of 6 players with substitutions, new scoring zones and more action competing in THE NEXT GENERATION of New Zealand's most popular indoor game.

**Action Football** – All over the country teams of social and serious players are getting into Action Football like never before. This great game emphasises running, passing and ball skills to provide a high energy, fast moving game.

**Action Netball** – More than 500 teams of women, mixed and junior competitions make your local Action Stadium one of the biggest venues in New Zealand's biggest participation sport, and the best competition in Christchurch!
